

ORGANIZING AND SENDING YOUR EARNINGS

Sending Proceeds to IDFAPA:

- Total your lemonade stand's income.
- Send the total through Venmo to **@Foster-Idaho**, including your name and stand date in the notes. You can also send the total by check to **IDFAPA, P.O. Box 56, Moreland, ID 83256.**

Organizing Customer Payments

Customers like having different options for payment. If possible, accept payments through Venmo, cash, or check.

Venmo

- Have customers send payment to your personal Venmo
- Keep track of the Venmos you receive from your lemonade stand customers
- Add up the total received through all Venmo payments

Cash

- Collect cash from customers and total it at the end of holding the lemonade stand
- You will keep the cash and send the earned amount through Venmo or check to IDFAPA

Check

- Customers will write the check to you personally
- Deposit the check in your account and add the total of all checks to the running total of cash and Venmo earnings
